

beige

emulsion sealer

airtight

fusion series is our line of housekeeping products designed to be easy to use, efficient and safe. From state-of-the-art dispensing solutions to clear, simple color-named packaging, we've created fusion products in ways that make house-keeping a pleasure.

Beige is a metal cross-linked acrylic floor sealer formulated to provide a superior level base allowing subsequent coats of floor finish to build gloss quicker requiring less floor finish to achieve the desired wet look appearance. Beige is slip-resistant, and may be used with all finishes as an excellent basecoat to seal and fill pores. Levels with no streaks or mop trails.

features

- May be used alone or as a base coat for Fusion Black or Indigo on resilient floors such as rubber, vinyl, and vinyl composites, or interior concrete.
- Is easy to apply as it levels with no streaks and is ready for re-coat within 30 minutes.
- Covers as much as 2500 square feet per gallon even on porous surfaces.
- Protects floor from asphalt, petroleum or oil staining.
- Increases gloss of subsequently applied top coats with Fusion Black or Indigo.

ideal for Hotels, motels, health care facilities, nursing homes, schools, super markets, department stores, office buildings, auto repair shops and warehouses.

environmentally preferred green cove™

This product meets our Green Cove standard. Environmentally Preferred Green Cove products reflect our commitment to protect the environment, operate in a sustainable fashion and deliver products that make a difference for our planet and our customers every day.
