fusion series is our line of housekeeping products designed to be easy to use, efficient and safe. From state-of-the-art dispensing solutions to clear, simple color-named packaging, we've created fusion products in ways that make house-keeping a pleasure.

Black is a new generation floor finish designed to work with any type of maintenance program and any equipment on all types of floors due to its superior compatibility and flexibility. It allows the finish to form good film even in poor drying conditions. It exhibits excellent response with most types of UHS equipment - propane, battery or electric cord. Easy to apply and ideal for weekly burnishing.

features

- Superior leveling and durable film formation even in poor drying conditions.
- Enormously resilient finish - floors look great; heel and scuff marks disappear with ease on burnishing.
- Extremely durable finish translates to significant annual savings in labor and maintenance costs.
- Excellent initial gloss and definition of image.
- Superior response to burnishing; gloss deepens with burnishing.
- Can be applied in both low and high traffic areas.
