**BUILT LAUNDRY DETERGENT**

EFFECTIVE YET MILD

DETERGENTE DE LAVANDERÍA | EFECTIVO AÚN LEVE

**CLEAN COMFORT** | that new clothes feel

*Endure* is a concentrated laundry detergent designed for use in high efficiency washers in all water temperatures and conditions. It's formulated with low sudsing emulsifiers, soil suspending agents, alkaline builders and optical brighteners to easily remove and solubilize greasy soils from all natural and synthetic fabrics.

## directions for use

Use with automatic feed dispensing system. Best results achieved with hot (150° F) water but may be used efficiently with colder water as well. For normal conditions, use 4 to 6 ounces detergent per 50 lb. wash load in a typical 6 to 10 minute wash cycle. Use with bleach and break as required. Consult your Santec technical representative for specific use directions.

### WARNING

#### HAZARD STATEMENTS

May cause skin irritation.

#### PRECAUTIONARY STATEMENTS

Wear protective gloves, splash goggles and protective clothing. Wash thoroughly after handling.

#### FIRST AID

Eye Contact: Check for and remove any contact lenses. Flush with large quantities of water, holding eyelids open for 15 minutes. Seek medical attention immediately. Skin Contact: Wash skin with copious amount of water. Seek medical attention if symptoms persist. Inhalation: Remove to fresh air. Seek medical attention if symptoms persist. Ingestion: Do not induce vomiting. Drink copious amounts of water. Seek medical attention immediately.

### STORAGE

Store in original container protected from sunlight in a well ventilated area, away from incompatible materials, food and drink. Keep out of reach of children.

### SPILL / LEAK

Put on appropriate personal protective equipment. Move container from spill area. Dilute with water and mop up if water soluble or absorb with an inert dry material and place in an appropriate waste disposal container.

### DISPOSAL

Dispose of material in accordance with local, state and federal regulations.

### HAZARDOUS INGREDIENTS

Nonylphenol Ethoxylate (127087-87-0)  
Sodium Tripolyphosphate (7758-29-4)  
Tetrapotassium Pyrophosphate (7320-34-5)  
Acrylic Copolymer (NA)
