# forty one

carbon residue remover

removedor de residuos

resolve series | high-performance food service solutions

**forty one** is formulated to be used in heated soak tanks to remove built-up carbon deposits and baked on fats, oil and grease residues from metal and aluminum equipment. It can be safely used to effortlessly clean pots and pans, baking pans, oven racks, rubber mats, cutting boards, hood filters, stove parts, and more.

## directions for use

Consult your Santec technical representative for specific use directions.

### WARNING

#### HAZARD STATEMENTS

Causes eye and skin irritation.

#### PRECAUTIONARY STATEMENTS

Wear protective gloves and eyewear protection. Do not breathe dust /mist.

Wash thoroughly after handling.

#### FIRST AID

Eye Contact: Check for and remove any contact lenses. Flush with large quantities of water, holding eyelids open for 15 minutes. Seek medical attention immediately. Skin Contact: Wash skin with copious amount of water. Seek medical attention if symptoms persist. Inhalation: Move victims to fresh air. Flush mouth and nasal passage with water repeatedly. Seek medical attention immediately. Ingestion: Do not induce vomiting. Drink copious amounts of water. Seek medical attention immediately.

### STORAGE

Store in original container protected from sunlight, in a well ventilated area, away from incompatible materials, and food and drink. Keep out of reach of children.

### SPILL /LEAK

Avoid runoff into storm sewers and ditches which leads to waterways. Vacuum or sweep up material and place in a designated, labeled container.

### DISPOSAL

Dispose of material in accordance with local, state and federal regulations.
