

ruby™

multi-surface cleaner

fusion series is our line of housekeeping products designed to be easy to use, efficient and safe. From state-of-the-art dispensing solutions to clear, simple color-named packaging, we've created fusion products in ways that make housekeeping a pleasure.

ruby is a robust ready-to-use multi-surface cleaner that effectively removes grease, oil, carbon, or any other industrial soil from floors, walls, machinery and even concrete.

FEATURES

- Powerful and penetrating cleaning action quickly removes all types of soils, grease and dirt from a variety of surfaces.
- Synergistic effects of detergents and hydrophobic solvents affect rapid dissolution and removal of oils and greases, both food and industrial based.
- Will not harm metal surfaces when used as directed.
- Powerful yet versatile formula compatible with all surfaces not detrimentally affected by water.

IDEAL FOR

Hotels, motels, hospitals, health care facilities, nursing homes, schools, apartment complexes, office buildings, food plants and meat plants.

OPTIMAL APPLICATIONS

Kitchen floors and walls, restaurant food preparation areas, industrial concrete floors, machinery, stainless steel equipment, refrigerators, ovens, air conditioning ducts and grills, tiles and marble.
